Sir:

This paper is herewith filed in response to the Examiner's Office Action mailed on 07/03/2002 for the above-captioned U.S. Patent Application. This paper is deemed to be filed within the shortened statutory period, and no petition or fee for an extension of time is required. However, should the undersigned attorney be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and charge deposit account no.: 50-1924 for any required fee deficiency.

Please amend the application as shown below.

IN THE SPECIFICATION:

Replace the paragraph at page 6, lines 25-31, with the following:

A1
The teachings of this invention go beyond only authenticating the user. For example, in the EMV environment a mobile station application, together with a peer application in the computer and optional transaction protocol(s) in the mobile station and the computer, can create a flow of operations for completing a financial transaction with a commerce related site.
